

2018 Camp Instructions

Dear Campers,

We hope you are looking forward to Camp 2018... we certainly are! Church camp is always a great time of community, relationships, getting to know each other better, reading and discussing God's word together, mixed in with a bit of relaxing and having fun.

We have a few things to let you know, to make sure the weekend gets off to a good start.

CAMP WILKIN is at 57 Noble Street, Anglesea - located only half an hour from Geelong along the Great Ocean Road. Melways Ref: Map 196, D7.

If you are coming on Friday night, please arrive before 7:30, so you will be around for the camp briefing. There will be someone there from around 6:30 if you want to arrive early, and we can point you to your rooms. There will be various activities after this, and supper at 8:30 (note – dinner is not provided on Friday night). Breakfast is served in the dining room from 7:30 to 8:30am.

For those coming on Saturday morning, the first session starts at 9am so we would appreciate you arriving around 10 minutes before this so we can get organised. If you come early you are welcome to make yourself a cuppa and have a chat! Same goes for Sunday morning.

What to bring:

- Bedding (pillows, sheets, sleeping bags)
- Toiletries and towel
- Bible and pen
- Weather-appropriate clothing – it is looking to be a warm weekend so remember hats, sunscreen etc for outdoor activities on Saturday afternoon. This may also include a bit of beach cricket! Also some warmer clothes for the evening might be a good idea too.

See the timetable for more details on what is happening.

We look forward to seeing you on the weekend!
