

**From the Treasurer:** St. John's current debt for the building has been reduced from \$480,000 to \$430,000 over the past 2 years, with monthly repayments to the Anglican Diocese of Melbourne of approximately \$3,100.

The building fund is still open to receive donations which will be applied to loan repayments and reducing the outstanding principal.

We are very grateful to the handful of parishioners who have continued with regular support of the building fund. It would be wonderful to receive the support of other parishioners, either regularly or on an ad hoc basis.

**All donations to the building fund are tax deductible** and to allow time for processing all donations for the current financial year need to be received by 26 June, 2016.

We currently have some \$48,000 in deposits in the DGR/non-DGR accounts.
